PRO SERIES™

Masthead Amplifier Power Supply with F-type Connections

- 12V 100mA linear power supply unit
- Suitable for powering Antiference masthead amps
- F-type connections
- Fully screened
- LED power on indicator

Technical Specification

Specification	PSF1200
Mains Power Supply	230V AC 50Hz
Fitted Mains Plug	BS1363 3A rating
Output Power Supply	+12V DC 100mA
Connection	F-type Connector
Insertion Loss	<1dB (46-1000MHz)

DW23/11
